## Sermon & Bible Study Topics

COLORADO SPRINGS CHURCH OF GOD (7TH DAY)

---

- ❑ **The Wondrous Gift of Life** — In order to understand death, we need to first consider: *What is Life?* Let's take a closer look.
- ❑ **The Mystery of Death** — Death is a fearful, often traumatic event. Often it's shocking and unexpected. Death remains one of life's greatest mysteries. Let's uncover the mystery.
- ❑ **Do Humans Have an Immortal Soul?** — The phrase is found no where in the Bible. Where did the idea come from? Is it support by the Word of God?
- ❑ **Promise of Life After Death** — What happens after death? Our bodies are temporary and designed to eventually die, yet is our physical existence all there is?
- ❑ **Are Saved Human Beings Alive in Heaven?** — Who are those living in heaven? Have any human beings ever ascended to heaven? What's the Bible have to say on the subject?
- ❑ **The Biblical View of 'Hell'** — Is eternity in an ever-burning inferno the fate of the wicked? Many assume that it is, but is that what the Bible says?
- ❑ **Those Who Died Not Knowing Christ** — Death does not discriminate. The righteous and sinners all die. What happens to those whose lives have been cut short and yet have never known Christ?
- ❑ **Will the Wicked be Tormented Forever?** — At first glance it seems that the wicked will be suffering in a seething, sulfurous hellfire, mercilessly and eternally tormenting helpless immortal souls. Is this true?
- ❑ **What is Judgment?** — It's mentioned throughout the Bible. What does it really mean? Let's take closer look.
- ❑ **Steps in Dealing with Grief** — God has revealed answers to some of the greatest questions we face: What is life? What is death? What happens after death? Better understanding can help us cope with the loss created by death. How can we deal with our grief or help others with theirs?
- ❑ **Everlasting Life Conquers Death** — Death has always been humanity's enemy. But it need not be a mystery nor be entirely devastating. Death is not the end!
